

Introducing MyDoc^{Anytime}TM

We believe that every patient deserves extraordinary care. Palliative Partners' MyDoc^{Anytime}TM is a special patient care coordination program with goals of optimizing, improving, and supporting the best possible quality of health for patients. This program delivers access and convenience 24 hours a day, 7 days a week. Our health care team members are standing by ready to coordinate your care by assisting with prescriptions refills, schedule an appointment with your physician, and most importantly work to develop a plan for a healthier and happier you.

SERVICES

Program Health Care Team Member will work with you to provide the following services:

- ✓ Receive home visits and a personalized care plan
- ✓ Direct access to a Nurse Liaison
- ✓ Coordination of care and medical appointments with your Primary Care Physician

YOUR CARE TEAM

Every MyDoc^{Anytime}TM patient is assigned a nurse liaison who will work directly with you to coordinate care to ensure a healthier you.

Other members of your health care team that will be working in collaboration with your primary care physician are a nurse practitioner, a referral coordinator, support staff, and a medical director. All team members are easily accessible and are dedicated to ensure that you receive the highest level of care.
