Dear Patient of Dr. Marion L. Smith

It is with a heavy heart that we inform you that on the afternoon of Friday, August 31, 2018 we learned of the peaceful passing of Dr. Marion Lawrence Smith at the age of 89. Dr. Smith was passionate about medicine and providing an exceptional patient experience—practicing over the past sixty-five (65) years. Dr. Smith was part of the Riverside Family Physicians team from November 2004 until his passing in 2018.

Married twice, Dr. Smith had five children from his first marriage and two stepsons from his second with many grandchildren and great grandchildren. He became a widow by his second wife in 2009, Winnie Smith—the love of his life. Together they were passionate about animals.

Dr. Smith has been such an integral part of our group and our life for many years—he will be dearly missed.

Riverside Family Physicians welcomes the opportunity to continue serving you with the same level of care provided by Dr. Smith. As a patient assigned to Dr. Marion Smith you can continue to see any provider in the Riverside Family Physicians group. Please call us when you are ready to schedule your next appointment at 951-781-6335. You can learn more about Riverside Family Physicians by visiting us at www.famdoc.org.

A celebration of life service for Dr. Marion Smith is still in planning and updates will be posted on our website as they become available.

Warmest Regards,
